First Announcement and Call For Papers

Research to Consulting

Adelaide, Australia
November 23-25, 2009

www.aas2009.com

Organised by

The South Australian Division of the
Australian Acoustical Society

To be held at

The AAS 2009 Conference

The AAS 2009 conference will be held at the University of Adelaide, South Australia, from the 23rd to 25th of November, 2009. The Organising committee welcomes submissions of abstracts for papers on the following topics:

- Environmental Acoustics
- Economics of Acoustics
- Legislation and Standards
- Underwater Acoustics
- Architectural Acoustics
- Industrial Acoustics
- OH&S
- Transport Noise
- Active Noise and Vibration Control
- Noise and Vibration
- Psychological and Physiological Acoustics
- Acoustic Measurements
- Instrumentation
- Sound Quality
- Musical Acoustics
- Ultrasound
- Marine Bio-acoustics
- Ship Acoustics
- Acoustics of Wind Turbines

To submit your abstract, first visit the AAS 2009 website at <http://www.aas2009.com> and click on the 'Submit Abstract' link. Here you will be asked to enter the details for each author and an abstract of approximately 150 words. Papers submitted to AAS 2009 conference will be **peer reviewed**.

Social Program

Sunday Evening 22 November	Reception at National Wine Centre, Adelaide
Monday Evening 23 November	Banquet at The Stamford Grand, Glenelg Beach by heritage tram
Wednesday Afternoon 25 November	Close of conference drinks and barbeque at the conference venue

In Adelaide's compact city centre, all facilities, from the convention venue and hotels to cafés and nightclubs, are conveniently clustered within walking distance of each other.

Adelaide makes an ideal launchpad for visits to the Barossa, McLaren Vale and Clare wine regions, the far north "outback" regions of South Australia, and the pristine Kangaroo Island; one of the world's last unspoiled wildernesses. For more SA tourist attractions, see:- www.australianexplorer.com/tourist_attractions_south_australia.htm
