

Department of  
**Environment and Conservation**

*Our environment, our future*

## **ENVIRONMENTAL OFFICER (NOISE POLLUTION)**

ENVIRONMENTAL REGULATION DIVISION, PERTH

Position No: DEC3087209

Specified Calling Level 1, \$55,677 - \$76,337 pa + 9% Super

Two year Contract with the possibility of extension or permanency, Full-time

**DEC's Noise Regulation Branch works both independently and with other State Government agencies to develop and implement environmental noise policies for WA.**

**Enjoy the benefits of flexible working hours and well established learning and development programs while using your expertise to work towards a healthier environment.**

The Department of Environment and Conservation (DEC), through its regional offices, deals with noise from large industries. The department also has a section within its head office that sets noise policy and helps local governments and departmental regional offices with complex issues.

This position provides advice to and communicates with a range of organisations including industry, government, local government and the wider community on noise issues and assessments. In addition the position involves measurement and analysis of noise, assisting in the development of noise policy and noise training courses as well as assessments for and development of regulatory approvals.

For further information please contact **Peter Popoff-Asotoff** on **6467 5275**.

Applicants must address the selection criteria outlined in the job application package, available on the WA Jobs Board at [jobs.wa.gov.au](http://jobs.wa.gov.au) (search for Position No.)

For further information on DEC please go to [www.dec.wa.gov.au](http://www.dec.wa.gov.au).

**Closing date: Midday on Monday 7 November, 2011.** No late or pro forma applications will be accepted.
