TECHNICAL MEETING

-AUDIO MEETS ACOUSTICS-

- The Date:** Wednesday 20th September 2006
- The Venue:** NATIONAL ACOUSTICS LABORATORIES
126 GREVILLE STREET
CHATSWOOD
- The Time:** 6.30 pm to 7.30 pm
- The Speakers:** Robert Fitzell – Acoustics
Scott Willsallen - Audio

Robert Fitzell has worked widely in architectural acoustical consulting, and currently works for Norman Disney & Young. Projects concerned with performance spaces have included the Lyric Theatre, NIDA, and the main stadium of the Sydney 2000 Olympic Games. He completed a Master of Philosophy at the University of Sydney in 2005 which included a comparative and analytical assessment of acoustic provisions of building codes.

Scott Willsallen is an audio system designer who has taken a leading role in large projects such as the Doha 2006 Asia Games, Melbourne 2006 Commonwealth Games, Eurovision 2006 and Athens 2004 Olympic Games. He completed a Master of Design Science (Hons) at the University of Sydney in 2003, with a thesis on the audio quality of a large stadium sound reinforcement system for music.

The aim of the talk is to explore ways in which the two professions interact, through the experience of two long term practitioners in each field.
