## TECHNICAL MEETING

### EXCURSION

## Chatswood to Epping Train Ride

- The Date: Tuesday 19<sup>th</sup> May 2009
- The Venue: Chatswood to Epping Rail Line
- The Time: First Train From Chatswood Station after 6.30 pm
- The Speaker: Let the train trip speak for itself

Prior to its recent opening the Chatswood to Epping Rail Line was the subject of media articles in relation to noise levels patrons might potentially experience. As an alternative to a spoken presentation, this meeting is a quasi-field trip where attendees can experience the current noise levels for themselves and make their own judgements.

Meet informally on the relevant platform of Chatswood station, with a valid ticket, from 6pm. We will be taking the first train to Epping after 6.30pm. We may choose to alight at one or more stations along the way to view the construction and finish. Anticipated return to Chatswood Station is between 7 and 7.30pm.

**'ANYONE'** is welcome to attend.

Those who wish to may choose to adjourn to an appropriate venue, such as the Orchard Bar, Chatswood, for refreshments (not provided by the AAS) and to socialise.
