Title: "Noise Assessment under Brisbane City Plan 2014"

Presenters: Frank Henry, Program Delivery Manager Pollution Control, Brisbane City Council

Alex Marchuk, Senior Program Officer, Noise Policy, Brisbane City Council

Summary: *Brisbane City Plan 2014* is Brisbane City Council's plan for the future development of Brisbane. It guides how land in Brisbane can be used and developed. It also helps plan for infrastructure to support growth and create a more diversified economy while continuing to protect Brisbane's enviable way of life.

City Plan includes two online interactive planning tools, the ePlan (electronic version of City Plan) and interactive mapping, to make it easy to see what requirements may affect a development.

In this presentation, Frank Henry and Alex Marchuk will provide an overview and rationale of the noise content of the *City Plan 2014*, including noise criteria, *Noise Impact Assessment Planning Scheme Policy* and relevant codes. The presentation will also outline key changes in relation to noise impact assessment from the previous *Brisbane City Plan 2000*.

Cost: Free to current members of the Australian Acoustical Society. The cost to non-members will be \$20, payable by cash only on the night for which a Tax Invoice will subsequently be provided.

RSVP: By CoB Tuesday 15th July to Richard Devereux
