NOTICE OF TECHNICAL MEETING

AAS Members and interested parties are invited to the following event

Topics on Environmental Noise Control by Fantech

**Thursday April 3, 2014 - 4:45pm for a 5pm start
226 Adelaide Terrace, Perth**

Mr Daniel Tan, Product Manager of Acoustic Products for Fantech Pty Ltd will be giving a special presentation on Fantech's newest offerings and solutions for industrial and mechanical services, plus answering questions from the audience.

The presentation would suit anyone involved in architectural, mechanical and industrial acoustic design and specification.

**The event will be held at the offices of Wood & Grieve Engineers,
via the Ground floor of 226 Adelaide Terrace, Perth.**

**To assist with catering and security, please RSVP to
lzoontjens@slrconsulting.com should you wish to attend.**

**Do you have a topic to present or discuss or know someone
interested?**

Forward your suggestions to wa-secretary@acoustics.asn.au
