

# Want to join the world's largest collection of Acoustic Engineers?

At WSP we develop creative, comprehensive and sustainable engineering solutions for a future where society can thrive. Equipped with an intimate understanding of local intricacies, world-class talent and proactive leadership, we plan, design, manage and engineer long lasting and impactful solutions to uniquely complex problems. With 42,000 talented people in more than 500 offices across 40 countries, we engineer projects that will help societies grow for lifetimes to come.

Our Acoustics team are the world's largest collection of Acoustic Engineers, with a growing presence in Australia and New Zealand, with teams in Brisbane, Sydney, Melbourne, Adelaide, Canberra, Perth and Auckland. We operate as a broader regional and global acoustic team; therefore, the opportunities to grow as an Acoustic team member at WSP is unparalleled.

Due to growth within our Australian region, we currently have several exciting opportunities for Acoustic professionals to join us across all levels.

We are currently recruiting across the following offices:

## Brisbane

- Acoustics Lead (QLD)
- Graduate Engineers

## Sydney

- Senior Building Acoustics Engineer
- Senior Environmental/Transport Acoustics Engineer
- Technical Director

## Adelaide

- Graduate Engineers

## Perth

- Senior Building Acoustics Engineer
- Graduate Engineers

## Auckland

- All levels

We are a collaborative team of experts that thrive on challenge and unconventional thinking. Channelling our curiosity into creating progressive solutions to complex issues is both our mission and our passion.

Join us in doing purposeful, sustainable work that helps shape our communities and the future!

Express your interest by sending an updated version of your CV to Daniel Yip at [daniel.yip@wsp.com](mailto:daniel.yip@wsp.com)

*Your application will be treated in strict confidence.*
