

Australian Acoustical Society
A.C.N. 000712658
NEW SOUTH WALES DIVISION
TECHNICAL MEETING

- STAGE ACOUSTICS IN AUDITORIA-

- The Date:** Monday 30th July, 2007
- The Venue:** Sydney Conservatorium of Music
Recital Hall East
Cnr Bridge and Macquarie Streets
Sydney
- The Time:** 6.30 pm
- The Speaker:** Associate Professor Jin Yong Jeon
School of Architectural Engineering
Hanyang University
Seoul, South Korea

Professor Jin Yong Jeon (Hanyang University, Seoul) is one of Korea's leading researchers in architectural and building acoustics. He has done substantial work in auditorium design, floor impact sound, sound quality of appliances and musical acoustics. Jin will present an overview of his current research into stage acoustics in music performance spaces.

The evening will conclude with a brief tour and inspection of Sydney Conservatorium's vibration isolation treatments.
