7 Chair’s Report
Carl Howard spoke to his report. Key points being;
- 4 meetings held during the last year,
- The Division provided sponsorship of $850 to a final year student project,
- Congratulations to Peter Heinze on being elected as the Federal Chairman of the AAS,
- About 30 people attended the Christmas dinner, which was held at Regattas Bistro. At the dinner Byron Martin was honoured for his contributions to the SA Division.

8 Treasurer’s Report
Simon Moore spoke to his report, and noted specifically:
- Income and expenditure for the year was approximately equal, with the deficit being only $259.27.
- Current total balance of $83,956.95 with the interest on this amount largely paying for the expenses of the division.
9 **Confirmation of Auditor**
The auditor this year will again be appointed by the Federal Treasurer, Geoff Barnes.

10 **Registrar’s Report**
Valeri Lenchine noted that:
- Membership stands at 48 members, a small increase on the 46 from last year
- Three of the above members had not yet paid their subscriptions.

11 **Election of Committee Members**
No new nominations received and all previous committee members re-elected.

Existing members:
- Colin Hansen
- Carl Howard
- Peter Heinze
- Matthew Stead
- Valeri Lenchine
- Simon Moore
- Darren Jurevicius
- Jon Cooper
- Mike Kidner

Re-elected members:
- Byron Martin
- Peter Teague
- Laura Brooks

The positions of the elected committee members to be voted on and established at the first committee meeting following the AGM.

12 **Other Business**
No other business.

13 **Closure**
Meeting closed 6:25 pm.

To be followed by talk by Stuart Page from Resonance Technology. The topic of this talk is his work developing resonant pile driving and acoustic mine sweeping.
