

TO ALL AAS MEMBERS and interested parties

TECHNICAL MEETING

8pm Tuesday 24th July 2007

Status of Research in Acoustics at the University of Adelaide

by

Dr. Mike Kidner

School of Mechanical Engineering

The University of Adelaide

The Acoustics, Vibration and Control group at the University of Adelaide has been leading acoustics and vibration research in Australia for the past twenty years. In this talk, Dr Mike Kidner will bring the members of the AAS SA division up to date with the latest projects from the group. Topics will include: Zero stiffness vibration isolation table, Thermoacoustics, Underwater communications, geoacoustic inversion, smart structures, advanced sensing and more.

A brief review of the International Congress on Sound and Vibration 14, held in Cairns 9-12th of July will be included.

The meeting will commence at 8pm in the H.H. Davis Room, Department of Mechanical Engineering, Engineering South Building (see university map below). Parking is available on Victoria Drive.

Anyone interested in attending the meeting is encouraged to also join us prior the meeting for friendly dinner and drinks at Caffè Buongiorno, 187 Rundle Street, at **6:30pm** beforehand.

Please RSVP to Luke Zoontjens via 8303 4713 or luke.zoontjens@mecheng.adelaide.edu.au, to help us organise the event.

PLACE: H.H. Davis Room, Level 1, Engineering South Building, The University of Adelaide, North Terrace Campus.

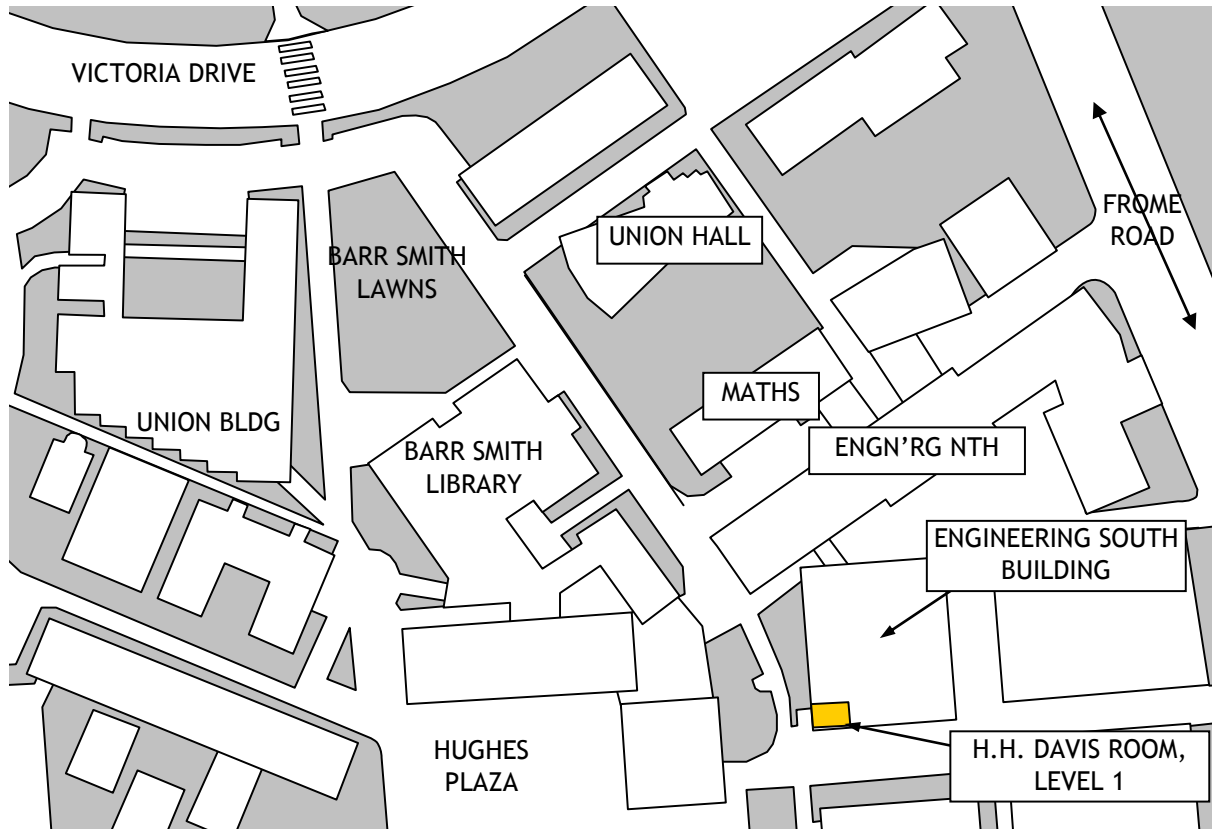

TIMING: 8PM TUESDAY 24TH JULY, 2007
