NOTICE OF EVENT

Technical Meeting

Acoustic Performance of Micro-Perforated Stretched Absorbers

Presentation by Dr Christian Nocke

The Victorian division of the Australian Acoustical Society is proud to present a technical meeting presentation by Dr Christian Nocke. The topic will be the absorption characteristics and performance of micro-perforated stretched absorbers.

Dr Nocke has published numerous papers on a variety of topics including acoustic impedance measurements and absorption of porous materials and micro-perforated membranes. He holds a doctorate from the University of Oldenburg, Germany.

Date: Monday 25th November 2013

Time: 6:00 pm for 6:30 start

Venue: SKM Office, 452 Flinders St, Melbourne (nearly opposite the aquarium)

RSVP: Friday 22nd November 2013 to vic-secretary@acoustics.asn.au

NOTE: Due to card access only, we will collect attendees from the Foyer every 10 minutes from 6.00 PM to 6.40 PM. Please call Dr Norm Broner (0448 931 204) or Peter Pirozek (0418 353 116) for access.
