TO ALL AAS MEMBERS and interested parties

NOTICE OF TECHNICAL MEETING

Safe Work Australia released the draft model OHS regulations and codes of practice for public comment on 7 December 2010.

<http://www.safeworkaustralia.gov.au/Legislation/PublicComment/Pages/PublicComment.aspx>

Members are invited to attend a short technical meeting and casual workshop session to discuss the draft model. Networking and discussion of future AAS events will follow.

All interested parties, including those professionally involved in management of occupational health and safety, are welcome to attend.

The Codes of Practice of relevance are [Managing Noise and Preventing Hearing Loss at Work](#) (Part 4.1) and [Hazardous Manual Tasks](#) (e.g. Part 3.2, 5.7). The general Code on [How to Manage Work Health and Safety Risks](#) may also be of interest.

The session will be held in the Physics Seminar Room (Room 147), Building 301, [Curtin University](#) from 5:30pm Wednesday February 9, 2011.

Light refreshments will be provided. To assist in planning of the event, please advise via reply email.

To assist in our planning of the night, please advise Luke Zoontjens via l.zoontjens@ndy.com as to attendance.
