TO ALL AAS MEMBERS and interested parties

TECHNICAL MEETING

Thursday 25th July 2013, 3:30pm

Perth Arena

AAS members and interested parties are invited to attend a backstage tour of the recently completed Perth Arena.

According to <http://www.pertharena.com.au/>, Perth Arena is Western Australia's landmark home of live entertainment, music and sports. It is reported here as Australia's 'finest venue' with 15,500 capacity and featuring 'breathtaking design and world-leading technology'.

With an introduction from architects CCN, the tour will discuss the project design and include visits to the main bowl, break out areas, team rooms and green rooms.

Following completion of the tour at around 4:45pm, members are invited to the [Melbourne Hotel](#), Corner Hay and Milligan Street for drinks.

The tour will meet at **3:30pm** at the Perth Arena eastern entrance.

Numbers are limited. To assist in our planning of the night, please advise Graham Hornby via graham.hornby@aecom.com as to attendance.
