Acoustics, Noise & Vibration Engineering Consultant

Renzo Tonin & Associates is a well-established specialist engineering consultancy renowned for high quality work in the fields of noise and vibration since 1982. We are an employee-owned company with passionate professionals and leaders in our field, committed to providing clients with the highest level of service including the provision of innovative and sustainable solutions. We have been steadily growing over the last few years and have a strong pipeline of transport infrastructure (road & rail), construction noise & vibration and environmental projects. We are presently seeking a **Senior Engineer** for our **Sydney** office.

Key responsibilities for the successful candidate will include:

- delivery of projects within the fields of environmental noise & vibration
- project management
- design & coordination of advice
- execution of noise and vibration measurements
- computer modelling eg Cadna-A / SoundPLAN
- report & proposal preparation
- client liaison & business development

The successful candidates should have:

- tertiary degree qualifications, preferably in engineering or physics
- experience in environmental noise & vibration (preferably in transport infrastructure, construction noise & vibration assessments etc)
- strong oral & written communication skills
- dedicated and proactive with attention to detail
- excellent technical report writing skills
- effective organisation and project management skills
- a high level of computer literacy
- a current drivers licence

The on-going and continued growth of our Sydney office offers significant potential for career growth and advancement, including on a national level. In addition to a competitive salary package (commensurate with the applicant's experience and qualifications) a generous bonus system is offered, and the successful candidate will be provided with an outstanding support structure including in-house training to assist with furthering their professional development with a clear career path.

Applications shall be treated confidentially and sent to:
