

Acoustic Consultants, Sydney & Perth

Due to exciting developments in our team, SLR is currently looking to recruit **Acoustic Consultants** to join us in Sydney and Perth.

ABOUT US

SLR Consulting is an employee-controlled international environmental consultancy. SLR has a globally recognised reputation for providing high quality, client-focused services. With offices throughout the Asia Pacific, Europe, North America and Africa regions, SLR Consulting remains in a very small group of leading international specialist environmental consultancies.

With a reputation throughout the industry of technical excellence and on-time delivery, we continue to work on diverse, interesting and high value projects across the country.

It is our people that are behind this reputation. We work as an international team, sharing workloads, mentoring and supporting junior staff and taking time to learn from the experience of each other.

THE ROLES

In regards to Acoustics and Vibration, SLR presents Australia's largest and most established team having started operations in Sydney in 1978.

We are currently looking for motivated, ambitious and talented individuals to join us and continue to strengthen our reputation as one of the top Acoustic consultancies in the Asia-Pacific region.

We are looking for the following:

SYDNEY:

- **Environmental Acoustic Engineers (Associate level).** Experience in construction and mining will be viewed very favourably for this role.
- **Building Acoustic Engineer (Senior Consultant level).** A senior role working with other experienced building acoustics engineers in our team to deliver solutions to the built environment both for existing and new clients. A high level of autonomy will be encouraged and excellent client skills are a must.

PERTH:

- We're open to considering **staff at all levels of experience** in the field of acoustics and/or consulting environments. Experience in GIS, coding or bespoke noise and vibration prediction tools would be advantageous.

However, equally important to us is cultural fit and shared vision. We want to grow our team around the right people. If you have a passion for Acoustics and want to work with other people who do – we'd love to hear from you.

For all roles, a relevant degree and Australian citizenship/working rights is essential.

JOB BENEFITS & PERKS

SLR values our staff and we look to provide a supportive and collaborative working culture. Joining SLR, you will get the chance to work with a large number of well-respected industry leaders across our nation-wide offices. Accordingly, successful candidates will be offered an attractive salary package, global interaction with SLR staff and an innovative benefits program with a strong focus on targeted professional development. You will be a part of a large growing team with a strong focus on flexible working conditions.

For an opportunity to be considered for one of these roles, please apply by submitting your CV and a cover letter to apaccareers@slrconsulting.com quoting the role that you are applying for.
