

Acoustics Team Leader - NSW

WSP is one of the world's leading engineering professional services consulting firms, bringing together our 44,000 staff, based in more than 500 offices, across 40 countries to provide engineering and multidisciplinary services in a vast array of industry sectors, with a focus on technical excellence and client service.

Our acoustics team is one of the world's largest collection of acoustic engineers, with a growing presence in Australia/New Zealand with teams in Melbourne, Sydney, Brisbane, Canberra, Perth, Adelaide and Auckland.

We operate as a highly autonomous and genuinely national acoustics team. Opportunities to grow and develop as an acoustics team member at WSP are unparalleled.

Due to the continued success and growth of our operations in Australia and New Zealand we have an exciting opportunity for an experienced acoustic engineer to join and lead our Sydney team as **NSW Acoustics State Manager**.

Responsibilities

Lead project delivery throughout the NSW region through:

- A management level role overseeing the NSW Acoustics team and reporting to the National Director for acoustics
- Business development, commercial oversight and technical delivery.
- Activities that support the ongoing consolidation of a large national team
- A commitment to the development of others

Desired Skills and Experience

The ideal candidate will have 10+ years of experience and be keen to develop your career in a growing, supportive team within a major international consultancy.

You will have a strong track record across environmental and building acoustics.

We can offer you an opportunity to develop your career on a global scale and provide a vibrant working environment.

To apply

Please send an updated version of your resume to **Hannah.Cullen@wsp.com**

WSP supports a diverse and inclusive work environment as well as equal employment opportunities. We encourage Aboriginal and Torres Strait Islanders and people of culturally diverse backgrounds to apply.

***Please note:** We will not be accepting applications through recruitment agencies.*
