

JACOBS®

Your ideas make the difference

Jacobs' Acoustics and Advanced Analysis Team are major contributors to high profile infrastructure projects throughout Victoria, Tasmania and beyond.

Our practice is networked, multi-disciplinary and global. We have acoustics teams in the U.S and the U.K with our Australian offices working on projects throughout Asia-Pacific and the Middle East: Oil&Gas, Power, Renewables, Transport, Architecture.

We are seeking someone at Senior Consultant up to Technical Director level to join our easy-going and flexible team.

Potential office locations for this role are available in Tatura, Bendigo, Hobart and Melbourne.
