

SENIOR / SUPERVISING ENGINEER

Building Acoustics, Noise & Vibration Engineering Consultant

Renzo Tonin & Associates is a well-established specialist engineering consultancy renowned for high quality work in the fields of noise and vibration since 1982. We are an employee-owned company with passionate professionals and leaders in our field, committed to providing clients with the highest level of service including the provision of innovative and sustainable solutions. We have been steadily growing and have a strong pipeline of transport infrastructure (road and rail), associated major building projects (motorway control centres, railway stations, over station developments, stabling facilities etc), institutional facilities and commercial developments. Following this growth, a new position has emerged for a **Senior / Supervising Engineer** in our **Sydney** office.

Key responsibilities for the successful candidate will include:

- delivery of projects within the field of building acoustics
- project management and supervision of team engineers
- design & coordination of technical advice
- knowledge & capabilities in acoustic field measurements
- computer acoustic modelling knowledge & capabilities (eg EASE, ODEON, Cadna-R etc)
- knowledge of drawing packages (eg AutoCAD, REVIT etc)
- preparation and review of technical reports
- client liaison, business development and proposal preparation

The successful candidate should have:

- tertiary degree qualifications, preferably in engineering or physics
- experience in building acoustics and some transport infrastructure
- strong oral & written communication skills
- dedicated and proactive with attention to detail
- excellent technical report writing skills
- effective organisation and project management skills

The on-going and continued growth of our Sydney office offers significant potential for career growth and advancement, including on a national level. In addition to a competitive salary package (commensurate with the applicant's experience and qualifications) a generous bonus system is offered, and the successful candidate will be provided with an outstanding support structure to assist with furthering their professional development with a clear career path.

Applications shall be treated confidentially and sent to: sydney@renzotonin.com.au
