

About ADP Consulting

A progressive and passionate team, we are dedicated to the delivery of excellence for our clients, our community and our people. Everything we do and why we do it, is driven by our aligned sense of purpose; 'Creating great environments with great people'.

Bringing everyday environments to life we utilise the best mix of technology, innovation and inspiration.

Established in 2011, we are a growing team of 150 + staff with offices in Melbourne, Sydney and Brisbane and are seeking the best in our industry to join our expanding team.

About the role

We are seeking an Acoustic Engineer to join our Melbourne team. We are looking for a tertiary qualified engineer with demonstrable experience in noise assessment and control. The successful person will:

- have worked in the industry for a minimum of five years.
- be a self-motivated person with passion, drive and a positive attitude.
- Have the ability to clearly articulate design strategies (verbal and written) to all stakeholders, in an appropriate manner.

Benefits and perks

- Attractive remuneration
- Superannuation
- Health & Wellness Program
- Paid Parental Leave
- Individual Learning & Development Programme
- Employee Assistance Programme (EAP)
- Career Progression
- Active Social Program

ADP Culture

- Our people make the difference
- We understand your *Why* and help push your boundaries
- Excellence in everything we do
- Fun
- Have an open mind and willing to challenge yourself

Skills and experience

As an Acoustic engineer you will have:

- Relevant tertiary engineering qualifications (Preference given to Bachelor's degree in mechanical, electrical, environmental or audio engineering, science, or Masters in Science (Audio & Acoustics));

- Experience in leading projects
- Experience in, or demonstrated interest in noise and vibration (acoustics);
- Be comfortable prioritising and managing workload with excellent attention to detail.
- Coaching and mentoring your team and younger members of the business.

Are you ready to be involved in the evolution of ADP Consulting? If you feel you possess the above requirements and believe you would be an asset to our team please send your covering letter and CV by email to l.grantham@adpconsulting.com.au
