

Looking for that perfect opportunity?

That provides you the platform to extend your skills on nation defining infrastructure projects.

SLR is one of only a few employee-controlled, truly international environmental consultancies, with offices throughout the Asia Pacific, Europe, North America and Africa regions. With continuing strong market growth we are looking for candidates to join one of the strongest Acoustics and Vibration teams across Australasia.

We offer the chance to work on high profile projects in a flexible and inclusive modern working environment. In joining SLR, you'll receive an attractive salary package and a strong focus on helping you achieve your own professional development and career goals.

For more information on our current opportunities, we invite you to reach out confidentially to our Internal Recruitment Consultant Stefan Deane-Smith at swsmith@slrconsulting.com or call on 0481 755 749.
