ACOUSTICS 2020, the third joint New Zealand and the Australian Acoustical Society Annual Conference will be held at Te Papa, Wellington, New Zealand, Monday November 2 to Wednesday 4 November 2020, and will be another excellent joint across Tasman conference in Acoustics.

Acoustics 2020 will provide a unique opportunity for manufacturers and suppliers to showcase the latest developments in acoustic instrumentation, software and noise and vibration control products.

The timing of the event from a Sunday bump in to a Wednesday bump out is designed to suit interstate and international travel through lower cost off-peak flights and options for starting with great holiday weekend and then returning home on Wednesday afternoon so that you can be back at work on Thursday morning.

With an anticipated attendance of over 150 industry professionals, researchers and educators from New Zealand, Australia and the rest of the world, there is no better opportunity for a manufacturer or supplier to present their latest innovations and products to the New Zealand and Australasian acoustics industry.

With six (6) levels of sponsorship available, there is the opportunity for manufacturers and suppliers to show their support for the activities and aims of the New Zealand and Australian Acoustical Societies.

On behalf of the Acoustics 2020 Organising Committee, we extend an invitation to all companies and individuals associated with noise and vibration to be part of this exciting event. We look forward to seeing you in Wellington in November 2020 and thank you in advance for supporting the New Zealand and Australian Acoustical Societies.

LOCATION AND FACILITIES

Situated at the southern end of the North Island, Wellington, New Zealand, was recently named "the coolest little capital in the world" by Lonely Planet.

Surrounded by nature and fuelled by creative energy, Wellington is a compact city with a powerful mix of culture, history, nature and cuisine. Fuel your visit with strong coffee and world-class craft beer – Wellingtonians are masters of casual dining, with plenty of great restaurants, night markets and food trucks.

Things to do in Wellington

Relax at Oriental Bay, Wellington’s golden-sand inner-city beach and delve into the many museums, art galleries and theatre shows that make up the city’s pulsing cultural scene. If you’re into the outdoors, Wellington has action-packed adventure activities like mountain biking and sea-water kayaking, as well as beautiful walks around the harbour and surrounding hills. Try the visually stunning Makara Peak track, as well as the City to Sea walk where you can experience the best of Wellington’s waterfront. Ride the cable car up the hill to Kelburn for amazing views over the city and enjoy an ice cream at the top.

Tucked between a glittering harbour to the south and lush hills on the other side, Wellington has plenty of sights to offer visitors. Wellington’s attractive waterfront is best explored on foot, from Queens Wharf around the harbour through to the golden shores of Oriental Bay. The iconic Wellington cable car runs up to the botanic gardens and lookout - from there you can stroll back down to the city centre through native bush and greenery. Walk, drive or bus up Mount Victoria, where you can watch the sun set over the city.

Fancy seeing tuatara or kiwi up close? Several wildlife experiences are easily accessible, from eco-sanctuaries like Zealandia to a nearby fur seal colony. The nature reserve of Kapiti Island is home to some of the world’s most endangered birds, a short trip from Wellington by boat.
TE PAPA

On the waterfront itself you’ll find Te Papa Tongarewa Museum, New Zealand’s national museum. Te Papa, as it’s colloquially known, means ‘our place’ and is one of the best interactive museums in the world.

It is an iconic New Zealand building, right in the heart of the capital city. It is easily accessible by international and domestic flights into Wellington airport, which is only a short 15 min drive from the venue.

The Exhibition and catering will be located in the Amokura Gallery, on Level 4. The conference sessions will be on Levels 2 and 3 but all morning/afternoon tea and lunch breaks will take place in the Exhibition area on Level 4.

The impressive Amokura Gallery has staged many successful exhibitions within the museum.

The gallery offers nearly 900m² of floor space uninterrupted by pillars or partitions making it ideal for larger conferences, trade shows and banquet dinners.
The **Welcome Reception** will be held in the Level 4 Te Marae space in Te Papa. The Te Marae space features contemporary Maori carvings and the entrance to Te Marae is via the Signs of a Nation space.

ATTRACTIONS

Wellington is the gateway to some of New Zealand’s top attractions.

Geographically-speaking, Wellington is literally in the centre of all the action. A ferry ride is all it takes to reach the South Island – Picton and the Queen Charlotte Sound are a few of the great places to stop over for a day trip. The Rimutaka Ranges, which is a popular spot for hiking and cycling, is within easy access too. A little further up, Martinborough, which is part of the Classic New Zealand Wine Trail, is a mere hour’s driving distance from Wellington.
