DECC

Presentation on Draft Construction Noise Guideline

The Date: Wednesday 10th September 2008

The Venue: National Acoustics Laboratories
126 Greville Street, Chatswood

The Time: 6.30 pm

The Speaker: Roger Treagus, Manager Noise Strategies Unit, Department of
Environment and Climate Change

The NSW government has released a draft Construction Noise Guideline for public comment. The draft guideline has been developed after consultation with building industry groups, infrastructure providers and councils. DECC is keen to receive feedback and comments from acoustic practitioners. This presentation will introduce key features of the guideline and provide a forum for questions and initial comments. Written submissions can be made until Friday 19 September 2008.

The draft Construction Noise Guideline can be found on the DECC website at <http://www.environment.nsw.gov.au/noise/constructnoise.htm> or by calling 131 555.

'ANYONE' is welcome to attend and refreshments will be provided
