

Australian Acoustical Society  
Queensland Division

## CHRISTMAS FUNCTION & ANNOUNCEMENT OF NEW FELLOW

United Service Club, 183 Wickham Terrace, Brisbane

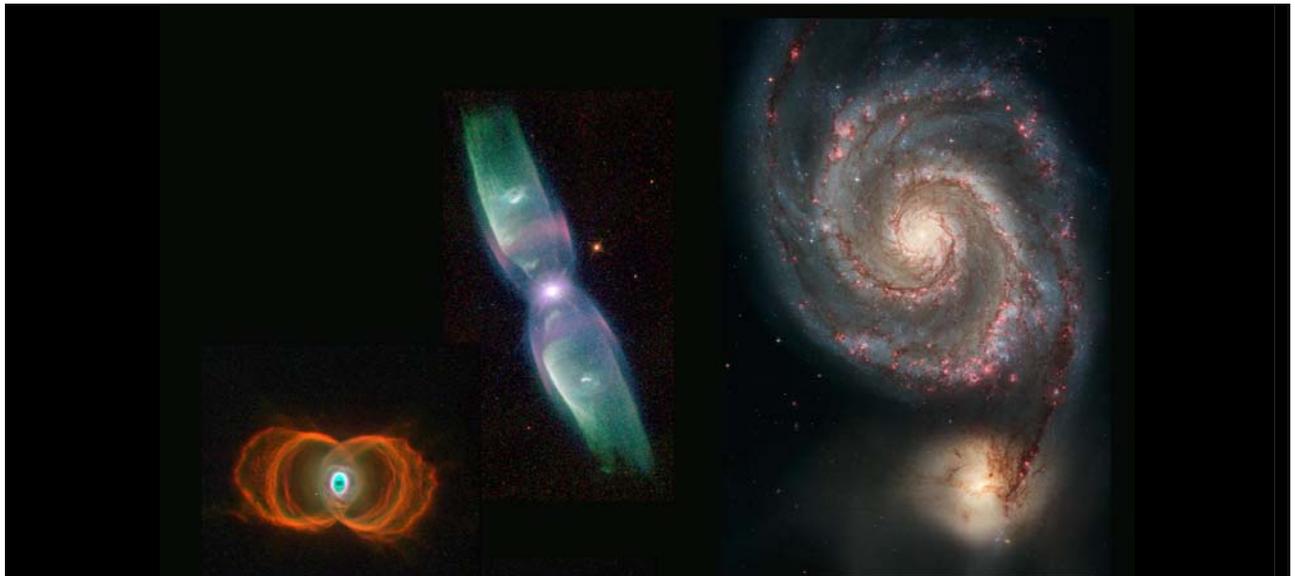

### Speaker

*Dr Peter F Teague, MAAS*

*Principal Acoustic Consultant Vipac Engineers & Scientists Ltd*

**"From Sound Sources to the Stars - What do Acoustics and Astrophysics have in common?"**

Peter will cover some of the similar physical properties and processes associated with sound sources and light from astronomical objects, and the instrumentation used to detect them. The presentation will include some intriguing anecdotes and exotic phenomena, and will be illustrated with some striking images.

**7:00 pm for 7:30pm, Friday December 4, 2009**

### Venue:

United Service Club  
183 Wickham Terrace  
Brisbane Queensland 4000
