- Opportunity to place promotional material of up to 4 bound A4 size pages (supplied by sponsor) in the satchel

## **Corporate Sponsor**

**\$1,500 incl GST**

Corporate Sponsorship of the refreshment breaks will be available to one sponsor per day (Monday, Tuesday or Wednesday only). Refreshment breaks include morning and afternoon teas and lunch.

The benefits of Corporate Sponsorship include:

- Company name displayed at the refreshment break locations
- Corporate Sponsor recognition in the conference handbook, and in the conference proceedings
- Opportunity to place promotional material of up to 2 bound A4 size pages (supplied by sponsor) in the satchel

## **Associate Sponsor**

**\$550 incl GST**

Associate sponsorship will be available to an unlimited number of organizations.

The benefits of Associate Sponsorship include:

- Associate Sponsor recognition in the conference handbook, and in the conference proceedings
- Opportunity to place one A4 page of promotional material (supplied by sponsor) in the satchel

## Exhibition

The Exhibition will be a major component of the Conference and will feature the most up to date products, technology and equipment available. The Congress Program has been designed to maximise attendance to the exhibition area.

All refreshment breaks, including morning and afternoon teas, and lunch, will be held within the exhibition area (which will be in a marquee), thus guaranteeing a high level of delegate visitation.

### Who Should Exhibit?

Any company who has products, research or involvement in areas of acoustics, noise and vibration including:

Acoustic signal processing, Active noise and vibration control, Building and architectural acoustics products, Community and environmental noise measurement and analysis, Condition monitoring and vibration testing, Flow duct and muffler acoustics, Industrial and occupational noise, Machinery noise and vibration control, Measurement techniques and instrumentation, Mid and high frequency methods, Modal analysis, Noise control elements, Noise source identification, Numerical methods, NVH, Railway and transportation noise and vibration, (to name a few).

### Exhibition Dates

The exhibition will open on Monday 24<sup>th</sup> November 2008 and close on Wednesday 26<sup>th</sup> November 2008. Set up of the booths will be from Sunday afternoon 1 PM and dismantling after the Conference close on Wednesday 12 Noon.
