

## Associate Acoustic Consultant Sydney Office

EMM Consulting Pty Limited (EMM) is a leading employee-owned planning and environment consultancy, working throughout Australia and internationally from offices in Sydney, Newcastle, Brisbane and Adelaide.

EMM is led by highly experienced professionals who are leaders in their fields, with a number having held senior national or international positions. They are supported by a talented team from a range of disciplines. Our skills are combined to help clients achieve their objectives in ways that contribute to sustainable outcomes.

**Due to strong growth and a commitment to our team and our clients we have an opportunity for an experienced Associate Acoustic Consultant to join us. This role will be based in our Sydney office.**

In this role you will have the opportunity to work with industry leaders and be part of a professional team working on a range of interesting and rewarding projects locally and nationally. You will have the opportunity to work within the fields of environmental, architectural and building acoustics.

The ideal candidate will be a dynamic and experienced professional with the following qualifications and experience:

- tertiary degree qualifications in engineering (ideally mechanical engineering, electrical engineering or environmental engineering) or science (ideally physics);
- 10 plus years of professional industry experience within acoustics (experience in a consulting environment would be an advantage);
- minimum of five years linear infrastructure experience;
- demonstrated large project management experience on infrastructure projects;

- highly proficient in CADNA and/or SoundPlan;
- experience with Visual Basic, MATLAB or other programming languages (desired);
- experience in business development and developing / maintaining strong client relationships;
- strong attention to detail including well-developed skills in the areas of QA/QC and technical report writing;
- highly organised approach and the ability to handle multiple projects and deadlines;
- exceptional written and oral communication skills;
- willingness to mentor and up-skill junior team members;
- the ability and willingness to travel in NSW and interstate for reasonable periods of time; and
- aligns with EMM's values and has a strong work ethic.

EMM offers you an opportunity to work with passionate professionals in an environment with a very positive and inclusive culture. We are highly committed to our staff, clients and the community.

Our goal is to “create opportunities” for you, the business and our clients. We want to help you achieve your career goals and aspirations by supporting you with ongoing learning and development and industry memberships. You will also be part of company who are committed and focussed on innovation and smart solutions.

If you believe that you meet the requirements as stated above please submit your application via email to [careers@emmconsulting.com.au](mailto:careers@emmconsulting.com.au).

Please quote reference “Acoustics Associate SYD 0618”. To have your application considered it must include a tailored covering letter addressing the required key criteria and a full professional CV. **Applications close on Friday, 14 July 2018.**

*EMM is an equal opportunity employer. Only those with a legal right to work in Australia may apply. Unsolicited resumes from recruitment consultants will not be accepted.*
