

# Graduate Acoustic Consultant

SLR is currently looking to recruit a Graduate Acoustic Consultant for our Brisbane office.

## ABOUT US & THE ROLE

SLR is an international environmental consultancy with a globally recognised reputation for providing high quality tailored services. With offices throughout the Asia Pacific, Europe, North America and Africa regions, SLR is one of a very small number of truly international specialist environmental consultancies. We provide global consultancy advice and support on a wide range of strategic and site-specific issues to a diverse and growing base of business, regulatory and governmental clients.

We have an outstanding opportunity for an Acoustician to join SLR's internationally recognised Acoustic and Vibration team based in our Brisbane office.

## JOB TASKS & RESPONSIBILITIES

As part of SLR Brisbane's growing team, you will be responsible for carrying out varied engineering assignments which will include field measurement, acoustic modelling and professional reporting of acoustics, noise and vibration. You will be supported by senior engineers to develop detailed knowledge and understanding of engineering methods and techniques to solve complex problems.

## SKILLS & EXPERIENCE

At a minimum, successful candidates must have:

- Tertiary qualifications in engineering or science (ideally Engineering disciplines with relevant specialist units);
- Strong communication and collaboration skills, and fluency in written and spoken English;
- Demonstrated initiative and capability to work independently.
- Australian Citizenship or rights to work in Australia

Experience in the following areas will be advantageous to your application:

- Acoustics of Buildings and/or Transport infrastructure;
- Structural Dynamics; and
- Project management in a consulting environment.

## JOB BENEFITS & PERKS

SLR values our staff, and we look to provide a supportive and collaborative working culture. Joining SLR, you will get the chance to work with a large number of well-respected industry leaders across our nation-wide offices. Accordingly, successful candidates will be offered an attractive salary package, global interaction with SLR staff and an innovative benefits program with a strong focus on targeted professional development.

For an opportunity to be considered for one of these roles, please apply by submitting your CV and a cover letter to [HumanResourcesAPAC@slrconsulting.com](mailto:HumanResourcesAPAC@slrconsulting.com) quoting reference 'BRI A&V'.
