

# Acoustics Engineer

## Perth, WA

Wood & Grieve Engineers (WGE) is an award winning, multi-disciplinary engineering consultancy with over 500 staff in six locations across Australia. We provide a broad range of engineering services to a wide variety of industries, and have been involved with some of the country's largest and most complex projects.

We're looking for an Engineer to join our growing Perth Acoustics team. This position is aimed at someone with a background in Acoustics, Audio and/or Mechanical engineering and is willing to learn and improve their skills and experience. Working alongside experience Project Engineers, you will be involved in the team's day-to-day, therefore knowledge of software such as SoundPLAN and/or CadnaA is highly desirable.

Occasional site visits (predominantly within the Perth metropolitan area) are typical, and flexibility required as some noise measurements must be undertaken after hours.

In return, you can expect to work in strong team environment with like-minded individuals. At WGE, our difference is our people and we aim to make work fun.

### Duties & Responsibilities

- Be accurate, diligent and professional
- Assist Senior Engineers
- Facilitate delivering excellent designs
- Participate in meetings with clients and other consultants
- Assist with delivering projects
- Report and specification writing
- Adhere to professional standards, ethics and WGE quality procedures

### Skills & Experience

- Excellent written and verbal communication and interpersonal skills
- 1-3 years' experience in an Acoustic role
- Bachelor Degree in Acoustics or Mechanical Engineering is preferred; however, candidates from an Audio and/or Environmental Science background will also be considered
- Knowledge of acoustic modelling software such as CadnaA and/or SoundPLAN
- Knowledge of AutoCAD, Matlab and Excel is preferred
- Attention to detail
- Positive, can-do attitude
- Ability to prioritise workloads to meet deadlines
- Previous experience in a similar role highly desirable
- The ability to use initiative and think outside the box

# To us, it's more than just work

At WGE, we do things differently. We believe our unique culture sets us apart by:

- Providing a rewarding, engaging and social place to work
- Investing in our employees with training and development opportunities
- Recognising high performers with shares in the company
- Encouraging inclusiveness and collaboration with open plan offices and having a non-hierarchical structure

As a result, our staff are highly motivated and engaged – which is why we've been accredited an Aon Best Employer eight times.
